Mission Statement

The Glen Cove Youth Bureau is the premier organization in the city dedicated to providing a safe and welcoming environment so that all youth, all families and the entire community achieve their potential.

Current Trends:

The increase of non traditional families, i.e. single parents or two parents working, economic pressures, substance abuse, violence, abuse and neglect continues putting a terrible burden on our children, youth and families. The supportive environment critical to healthy youth development is not always available. Lack of supervision and employment allows for too much unsupervised time for our youth.

The programs and services that help support youth and their families are operating with a minimum of staff and funding and are stretched to their limits. Diminishing funds from government, foundations, corporations and donations are part of a national trend. Collaborations and partnerships with other Human Service Agencies for highly competitive grants is a positive trend.

Long Island Community Foundation Grant

In June 2013 the 21st Century Community Learning Centers Grant awarded to the City of Glen Cove ended. Long Island Community Foundation has since awarded the City of Glen Cove Youth Bureau a \$25,000 grant for the 2013-2014 school year and \$20,000 for the 2015 year to help the continuation of Glen Cove After 3 Program, a vital, quality afterschool program serving youth in Glen Cove. The objectives of the grant is to help students improve academic performance; enable students to make smooth transition to high school; to ensure that students gain the attitudes, behaviors and skills necessary to succeed in the future; ensure that students gain knowledge of careers and gain career skills through hands-on experiences.

POLICE DEPARTMENT

Responsibilities and Duties Statement:

To protect and serve the diverse citizenry of the City of Glen Cove through the prompt, courteous, and efficient delivery of police services. To respond to community emergencies, including natural disasters and terrorist threats; to prevent and detect crime and assist criminal prosecutions; to enforce federal, state, county, and local laws; to uphold the United States and the State of New York constitutions; to provide public education and awareness programs; to maintain the high level of quality of life enjoyed in the City via community –police partnerships, vigilant patrol, strategic planning, and cooperation with other city departments and outside law enforcement agencies on the federal, state, and local level.

Current Trends:

The Glen Cove Police Department continues to expand its efforts to meet and surpass the public safety expectations of a rapidly growing and ever changing community in a fiscally responsible manner. To that end, the Department has actively sought grant funding to expand its patrol activities in an effort to increase public safety with no negative impact to the City's overall budget. Grant monies have been utilized to fund increased patrol activities in the areas of traffic safety, commercial vehicle inspections, narcotics initiatives, gang enforcement, quality of life issues and DWI enforcement. In past years, the Department has modernized many of its core functions resulting in a more efficient delivery and expansion of core services to the community.

Goals and Objectives:

- GCPD will further explore cost saving initiatives at every level of departmental operation.
- GCPD has restored the Detective Division to proper staffing levels.
- GCPD has reestablished the Crime Prevention Unit-CPU.
- GCPD will continue to procure grant monies in an effort to provide for expanded services at no additional cost to the City.
- GCPD will continue to work with the youth of our community through creation and further development of departmentally initiated programs that take place in our schools and through an expanded partnership with the Youth Board and SAFE, Inc.
- GCPD will continue to partner with outside agencies in order to expand its problem-solving capabilities. Examples include our successful partnership with the Building Department to assist in the enforcement of illegal housing, our partnership with the Glen Cove School District to provide substance abuse and gang awareness education to the children in our community, and our numerous partnerships with federal, state, and local governmental organizations.
- GCPD will continue to utilize departmental crime data to proactively forecast and identify areas in the community that have the greatest susceptibility to crime and disorder in an effort to focus patrol efforts and assist community revitalization.
- GCPD will further enhance the capabilities of its computerized data tracking system in order to provide Department and City managers with up-to-date information upon which priority-setting decisions can be made.
- GCPD will expand its commitment to increase communication and cooperation with other City agencies in order to enhance the ability of the entire community to engage in multi-faceted problem-solving initiatives.
