## TEMPORARY ROAD EASEMENT AGREEMENT

THIS TEMPORARY ROAD EASEMENT AGREEMENT (this “**Agreement**”) is made and dated as of this \_\_\_\_ day of \_\_\_\_\_, 2018 (the “**Effective Date**”) by and among the **CITY OF GLEN COVE**, a municipal corporation of the State of New York having its principal office at City Hall, 9 Glen Street, Glen Cove, New York 11542 (the “**City**”), the **GLEN COVE INDUSTRIAL DEVELOPMENT AGENCY** (the “**Agency**”), a public benefit corporation of the State of New York having its principal office at City Hall, 9 Glen Street, Glen Cove, New York 11542, and **RXR GLEN ISLE PARTNERS LLC**, a limited liability company organized under the laws of the State of Delaware and authorized to transact business in the State of New York, with an office at 625 RXR Plaza, Uniondale, New York 11556 (“**RXR**”) (collectively, the “**Parties**”).

### BACKGROUND

A. RXR owns the real property known as Li-Tungsten Parcel Upper C (“**Upper C**”), known as Section 21, Block A, Lots 20, 21 and 22, and the Agency owns the real property situated on Li-Tungsten Parcel Lower C (“**Lower C**”), known as Section 21, Block A, Lot 19 (collectively, the “**Property**”), as further described on the attached Exhibit A.

B. The City is currently undertaking the Herb Hill/Garvies Point Road Reconstruction Project (the “**Project**”). Due to various delays in the completion of the Project, the Parties desire to construct a temporary road (the “**Temporary Road**”) on a portion of the Property to facilitate faster completion of the Project.

The Parties hereto, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby agree as follows:

1. **Temporary Easement.** RXR and the Agency hereby grant to the City, its agents, employees, contractors, successors and assigns, as well as to the public and each other, a non-exclusive easement (the “**Easement**”) under, over, across, through and upon that certain portion of the Property depicted on the attached Exhibit B (the “**Temporary Easement Area**”) for the construction, operation and maintenance of the Temporary Road.

2. **Term of Easement.** The Easement shall terminate upon the completion of the Project and re-commencement of Herb Hill Road for use as a public street, as announced by the City.

3. **Term of Agreement.** This Agreement shall terminate upon the completion of the Restoration, as described in Paragraph 9 below. Upon such termination, the Parties agree to record a termination of easement in the Office of the Nassau County Clerk.

4. **Construction.** The plans and specifications for the construction of the Temporary Road shall be reasonably acceptable to the City Department of Public Works ("DPW"). Inter-County Paving Associates LLC or other contractor acceptable to the Parties (the "Contractor") shall construct the Temporary Road and complete the Restoration (as hereinafter defined) on the Temporary Easement Area on behalf of the City in a good and workmanlike manner and as reasonably acceptable to the DPW. The construction of the Temporary Road and the Restoration shall be at RXR's sole cost and expense.

5. **Maintenance.** The City shall maintain the Temporary Easement Area and the Temporary Road at the City's sole cost and expense until the termination of this Agreement.

6. **Damages.** The City shall use commercially reasonable efforts to cause the Contractor to minimize the interruption of RXR's and the Agency's use of the Temporary Easement Area.

7. **Indemnification.** The City agrees to indemnify and hold RXR and the Agency harmless from and against any and all liabilities, losses, damages, costs, expenses (including reasonable attorney fees and expenses), causes of action, suits, claims, demands and judgments of any nature whatsoever, including, but not limited to, bodily injuries to, or death of, any person or because of damages arising out of the use of the Temporary Easement Area by the public, the City or its contractors, agents, invitees, representatives, servants or anyone acting on behalf of the City, or due to the willful misconduct or gross negligent acts or omissions of the City or its contractors, agents, invitees, representatives, servants or anyone acting on behalf of or invited on the Property by the City, except to the extent due to the gross negligence or willful misconduct of RXR or the Agency or their contractors, agents, invitees, representatives, servants or licensees.

8. **Insurance.** Before commencing construction of the Temporary Road, the Contractor shall, at a minimum, maintain or cause to be maintained: (i) General Liability and Property Damage Insurance in the sum of \$2,000,000.00 per occurrence, (ii) Worker's Compensation and Disability Insurance in New York statutorily required amounts, (iii) Contractor's All Risk Insurance, and (iv) automobile insurance (where applicable and necessary). RXR, the City and the Agency, including their successors and/or assigns, shall be named as Additional Insureds and, if applicable, Loss Payees with written proof of insurance during the term of the Agreement as provided above. All such insurance required under this Section shall remain in place and in full-force and effect until such time as this Agreement shall terminate.

9. **Restoration.** The Parties acknowledge that the Contractor will disturb the land within the Temporary Easement Area and the Contractor shall, within sixty (60) days of termination of the Easement, take all reasonable measures requested by RXR or the Agency to restore the Temporary Easement Area and Property to a similar condition that such Temporary Easement Area and Property were in prior to the construction of the Temporary Road (the “**Restoration**”).

10. **Binding Effect.** This Agreement shall run with the land and inure to the benefit and be binding upon the respective heirs, successors, assigns, agents, contractors, and personal representatives of the parties to this Agreement. No Party may assign this Agreement without the other Parties’ consent.

11. **Miscellaneous.** This Agreement shall be construed in accordance with, and governed by, the laws of the State of New York (without giving effect to New York’s principles of conflicts of laws). This Agreement may be executed simultaneously or in counterparts, each of which together shall constitute one and the same Agreement. This Agreement may be recorded by any party in the county recorder’s office. This Agreement shall not be amended or modified in any way except by an instrument signed by the Parties. The Parties shall at all times hereafter execute any documents and do any further acts which may be reasonably necessary or desirable to carry out the purposes of this Agreement and to give full force and effect to each and all of the provisions hereof.
